**Program Guide**

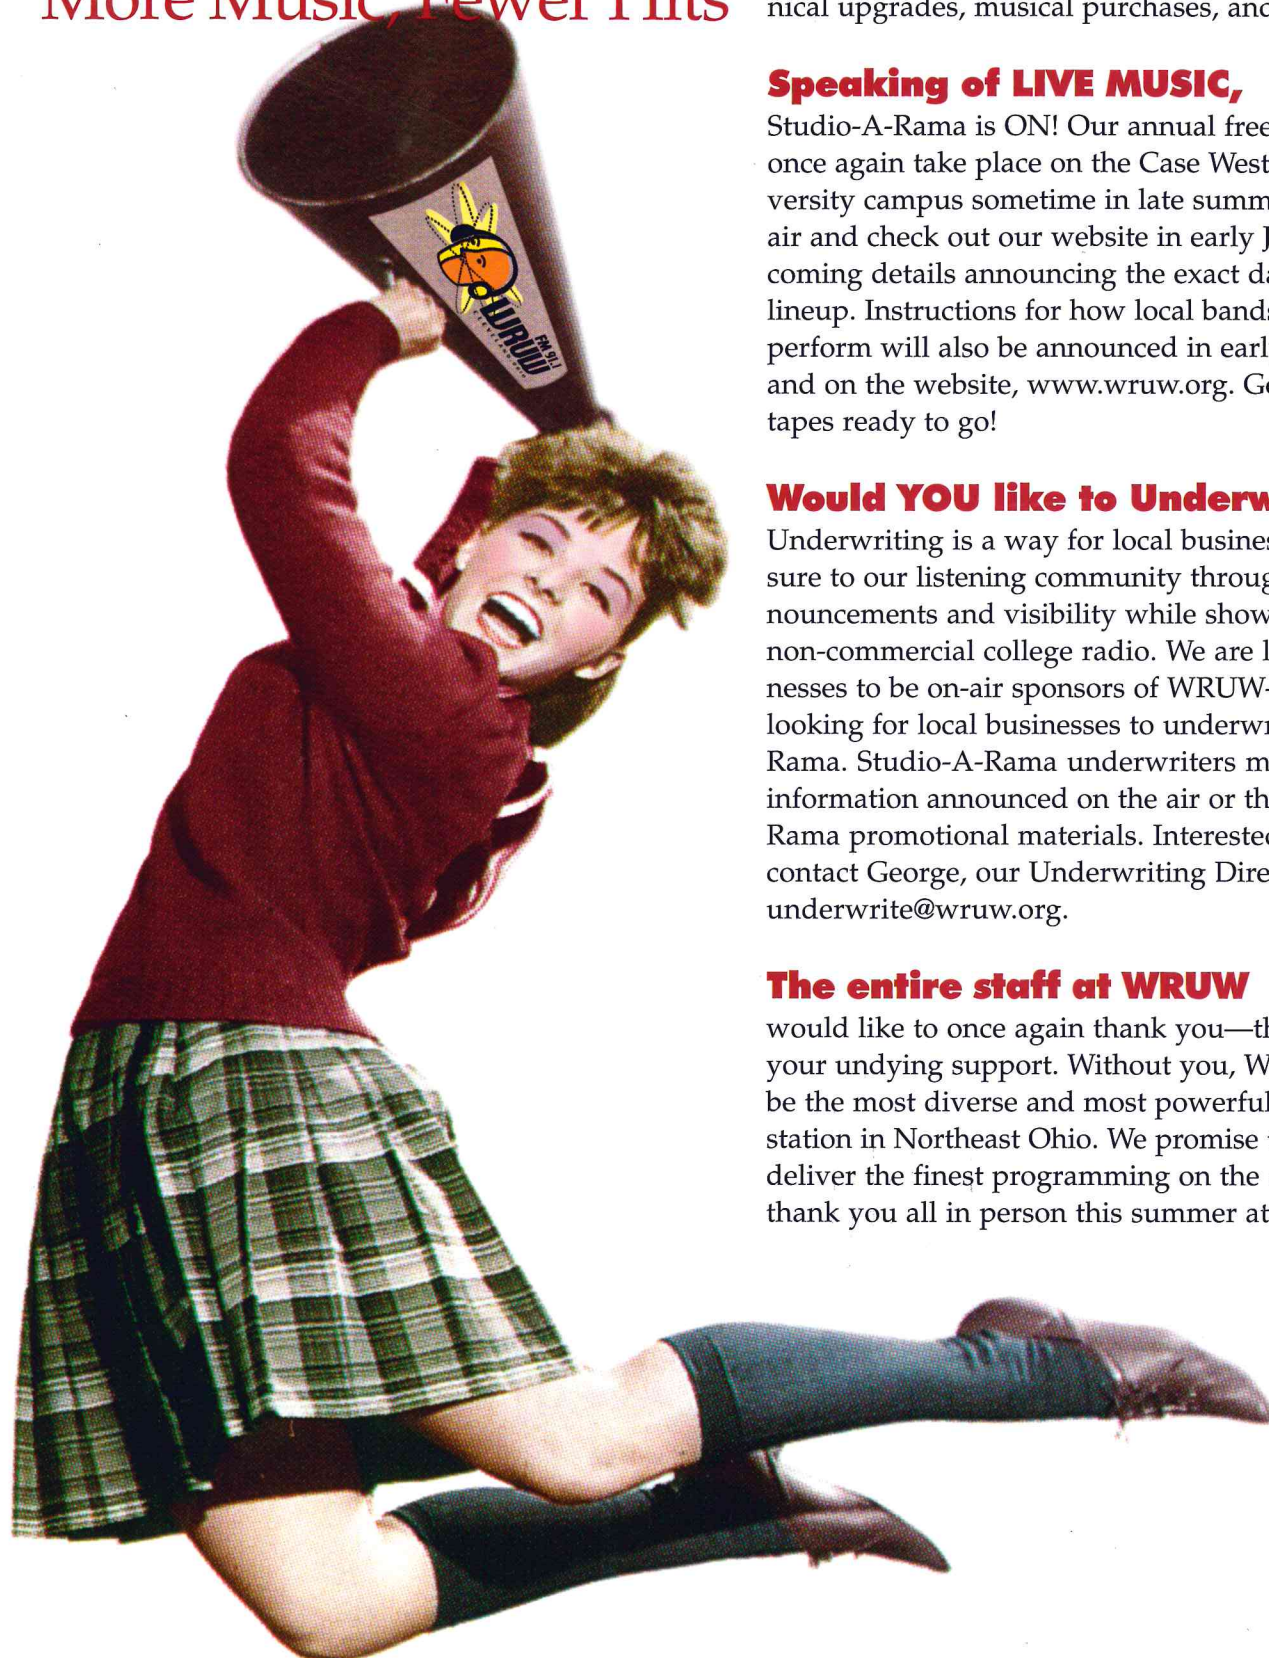

**Summer 2003**

**More Music, Fewer Hits**

### **A huge THANK YOU**

goes to all of our dedicated listeners who made this year's telethon our most successful to date! With your generous donations, we were able to surpass our fundraising goal. Your donations will go directly toward quality improvements at WRUW including technical upgrades, musical purchases, and live music.

### **Speaking of LIVE MUSIC,**

Studio-A-Rama is ON! Our annual free concert will once again take place on the Case Western Reserve University campus sometime in late summer. Listen on the air and check out our website in early July for forthcoming details announcing the exact date, location, and lineup. Instructions for how local bands can apply to perform will also be announced in early June on the air and on the website, [www.wruw.org](http://www.wruw.org). Get those demo tapes ready to go!

### **Would YOU like to Underwrite?**

Underwriting is a way for local businesses to get exposure to our listening community through on-air announcements and visibility while showing support for non-commercial college radio. We are looking for businesses to be on-air sponsors of WRUW-FM. We are also looking for local businesses to underwrite Studio-A-Rama. Studio-A-Rama underwriters may have their information announced on the air or through Studio-A-Rama promotional materials. Interested parties should contact George, our Underwriting Director, at [underwrite@wruw.org](mailto:underwrite@wruw.org).

### **The entire staff at WRUW**

would like to once again thank you—the listener—for your undying support. Without you, WRUW could not be the most diverse and most powerful college radio station in Northeast Ohio. We promise to do our best to deliver the finest programming on the air. We hope to thank you all in person this summer at Studio-A-Rama.
